POPLAR CORNER HORSES

Quite a few horses have come and gone in 2006. AJ was a beautiful thoroughbred but a bit crazy.

Princess is living up to her name. She is a very pretty palomino pony and belongs to Bridget a Thursday afternoon student.

Sonny a lovely skewbald did belong to Sarah and was here last term, but has now been sold.

Charlie is a new young chestnut pony that is doing very nicely. Cailah loves him. Wilhelmina the donkey is also back.

A very cheeky Shetland called Tonto has also joined the team.

I think I might retire Squirrel in the New Year.

HOLIDAYS

Are back again already. The horses, donkeys and I had a holiday over Christmas until 10 January. We will then be doing one or two camps, "Days on the Farm" and lessons.

Maybe we will see some of you.

Enjoy your holidays

POPLAR CORNER PEOPLE

Nikki is back from boarding school and living in Canberra again. She has been over to ride some of the horses and currently is working Commanche from her paddock at Hall..

PRIMARY SCHOOLS GYMKHANA

Aimee took Princess to the Primary Schools Gymkhana in November. They both did well.

ANNUAL POPLAR CORNER GYMKHANA

The gymkhana was not put on in December, but will be run later in the year when the weather is less hot.

HAPPY NEW YEAR!!!
