Registered Care Provider No: 403 217 612A - ABN no: 39133008005.

Three day camps are offered to only 6 children in the 8 to 13 yr old age bracket.

The **first** day begins when parents/carers drop their children off at Poplar Corner, Smiths Rd, 12 kms south of Tharwa **between 8 and 9am**. On the first morning there will be horse management and riding lessons. Campers will then be taken to Caloola Farm where we will be staying in a warm farmhouse. Campers will participate in various activities and games, including, bushwalking, cooking and story telling.

The **second** day will be a trek into Namadgi National Park. The donkeys will carry the provisions and any campers who want a rest. We will have a picnic in Namadgi and return to the farmhouse at Caloola for another night.

On the **third** day we will spend some time at Caloola, then pack up and return to Poplar Corner for more riding lessons. The above schedule may be altered depending on circumstances. Parents/carers are to pick up **between 4 and 5 pm**.
